You welcome. I'm not sure if I'm suppose to pass on the call in numbers to Fawad Shah and Jane Dimarchi or is this something that you will take care of. I just want to make sure I don't miss something that I need to do. Thanks,
Karen

Hi Miriam,

I will be happy to send Fawad Shah and Jane Dimarchi the call in numbers. I was wondering if you had their e-mail addresses handy and could send them to me? The call in numbers that I plan to set up are [REDACTED] Conference Code [REDACTED]

Thanks for your help.

Subject: Treated Seed Tag/Bag Initiative

Dear Jeff,

I am contacting you to continue our efforts with CLA to discuss the treated seed tag/bag statements. As I mentioned in my last e-mail in November last year (please see copy in attach), the CLA team is really pleased with the development of this initiative and we would like to keep the momentum to continue our discussions on this topic. We had a series of internal discussions and I believe that the team is ready to meet with EPA and the State teams.

Therefore, I would like to check if we could start to coordinate the next meeting of this group.

Please let me know if any of these dates would work for you. March 26 (Wednesday)

- March 28 (Friday)
- April 2 (Wednesday)
- April 4 (Friday)

If none of those work, we can postpone it for mid-April.

If you have any question or comment, please contact me.

Thank you very much for your attention and your support on this initiative.

Best regards,
